The good news is that you can request Viagra online. Where can I buy Viagra? However, not all these pharmacies sell Viagra legally and safely, so it is important to know which you can trust. However, any pharmacy that is operating legally and is fully registered should be happy to answer your questions about its registration and how it works. Alternatively, you can order Viagra online from an accredited online doctor service, and a doctor will assess your suitability for the medicine via an online questionnaire. Although buying medicines over the counter is convenient, this is not usually an option for prescription-only medication like Viagra. However, it is not always obvious how and where you can buy Viagra, especially as erectile dysfunction and how to obtain treatment for the condition are unlikely to be topics you discuss with your mates down the pub. Although you are probably happy to visit your doctor to discuss most health issues, when it comes to erectile dysfunction you may not feel comfortable having a face-to-face consultation. Erectile dysfunction is a very common condition, one which affects most men at some point in their lives. Because you are using an outdated version of MS Internet Explorer. Viagra is a medication for erectile dysfunction. It works by relaxing your blood vessels and increasing the blood flow to your penis.
